

# We Need You!!!

## **Pioneer Band Boosters of Stillwater Committees**

The purpose of *The Pioneer Band Boosters of Stillwater* is an organization is to support the Stillwater High School band program and its students. All parents of band students are members in *The Pioneer Band Boosters of Stillwater*. In order to achieve this objective, there are numerous opportunities for you to help. Below is a summary of the standing committee structure of the Band Boosters and the contact persons.

### **Chaperone / Trip Coordination**

#### **Chair Needed**

*When the band travels to games and contests, parents are needed as chaperones on the busses. The responsibilities of the chaperones include head counts, name checks, bed checks (for overnight trips), water details, general cheering, and "other duties as assigned." Background checks are required for those who stay overnight with the Band.*

### **Color Guard / Flags**

Michelle Kuehn – michelle.kuehn@okstate.edu

#### **Co Chair Needed**

*The color guard plays a vital role in the success of the marching band. After marching season, many students from the color guard participate in winter guard. All of the flags used by our students are sewn by our band parents. There are even opportunities to help with flag construction if you don't sew.*

### **Concession Stand**

Rusty Rex – okrefam@aol.com

#### **Co Chair Needed**

*Band parents work all home high school football game concession stands. Each game will take approximately 30 people with a wide variety of specific duties. Concessions proceeds fund activities for all band members, such as paying for the chartered busses to Chicago.*

### **Financial**

*This is a small committee responsible for establishing an annual budget and forecasting expenditures throughout the year. It is also responsible for the end of year financial audit.*

### **Fundraising**

Denise Christy – denise\_christy@okcareertech.org

#### **Co Chair Needed**

Edmond Bonjour – edmond.bonjour@okstate.edu

*Fundraising allows band members earn and "bank" money into personal accounts to help fund their band expenses, such as trips, contests, etc. Fundraising activities include SCRIP (gift card) sales, Head Country Rib sales, and concession stands at OSU football and basketball games (that do not conflict with marching band activities). Color Guard may also hold car washes.*

### **Hospitality / Contest Meals**

Toni Coleman - tcoleman@heritageconstruction.us

Trisha Gedon – trisha.gedon@okstate.edu

*The Pizza Party, Contest Meals, Homecoming, and the Band Banquet are the four major events the Hospitality committee coordinates. Committee members put together fun, memorable events by selecting a theme and carrying the details of the events.*

### **Publicity**

Roba Smith – rynamom@suddenlink.net

#### **Co Chair Needed**

*Getting the band into the paper so that the community knows the wonderful things our students are doing is very important. Responsibilities include taking pictures, working with the media to publicize band events, and utilizing other creative means of advertising the band, such as football programs, signs at football and basketball games, etc.*

### **Transportation**

Shawna Williams – shawnwilliams22@gmail.com

*This committee arranges travel needs to and from various contests. This includes locating crew members to help load and unload the truck as needed.*

## Uniforms

Tammy Davis – tamera.davis@okstate.edu

*Besides the wonderful students, one reason the Stillwater Band looks so sharp is thanks to the Uniform committee. This group measures students and assigns uniforms and hems trousers, sleeves, and skirts (concert band). All skill levels welcome.*

## The Pioneer Band Boosters of Stillwater Executive Board Officers

President	Rose Bonjour – bonjour@suddenlink.net
Co-Vice Presidents	Melanie Eick – meick@stillwater.k12.ok.us; Amy Storm – amycarterstorm@hotmail.com
